

APPENDIX 8 (b) Ordnance Survey Ireland ITM 'Land Registry Compliant Map'

The OSi can supply their customers with an ITM hardcopy product that will meet the Registry's digital mapping requirements.

Guidelines and examples for marking new properties can be found in: -

- Appendix 3 and 4 for individual sites
- Appendix 3, 4 and 7 for development schemes
- Appendix 6 for Multi-storey developments

Example of OSi/2500 scale Land Registry Compliant Map

Note: -

Hardcopy ITM maps that have been enlarged from the original OSi published scale for the area cannot be expected to give a higher degree of accuracy than that of the original scale.

Details on the scale and accuracy of OSi maps is available on their web site. www.osi.ie
